APRIL 2026

Waukesha County Real Estate Market Report: April 2026

Date Prepared: April 03, 2026

MARKET OVERVIEW

Market Snapshot

Waukesha County is shifting toward **increased inventory and more balanced conditions** in early 2026. Active listings surged 24.2% YoY to 807 homes. Despite this, the market remains seller-favorable — homes sell at **101.6% of list price** in a median of just **6 days**.

Price appreciation has moderated to **1.5% YoY**, while mortgage rates fell to **6.46%** — three-year lows — improving affordability.

Key Market Drivers

- Inventory up 24.2% YoY to 807 homes
- Mortgage rates at 3-year lows: 6.46%
- Homes selling at 101.6% of list price
- Median days on market: just 6 days

MARKET SPEED

Days on Market: 6 Days

Current	Last Year	Change
6 Days	6 Days	No Change

What This Means: Homes priced right sell almost immediately. Lower-priced homes under $300K move fastest; luxury properties ($1M+) average 80 days.

Buyers

- Be pre-approved and ready to move fast
- Delays cost you the home

Sellers

- Well-priced homes sell in under a week
- Luxury segment requires more patience

SUPPLY & DEMAND

Inventory & Months' Supply

Active listings: **807 homes** (+24.2% YoY). Months of supply: **2.43 months** — up from 2.10 last year, but still well below the 6-month balanced market threshold.

40%

Supply vs. Balanced Market

2.43 of 6 months — 60% below balanced

For Buyers

- More options than 2025
- $500K–$700K has most inventory

For Sellers

- Still a seller's market
- List now before supply grows further

PRICING POWER

Sale-to-List Price Ratio: 101.6%

Homes are selling **above asking price** on average — up from 99.3% last year. Buyers are still competing, and sellers hold strong pricing power.

Why It Matters

A ratio above 100% means **multiple-offer situations remain common**. Budget above list price when making offers.

Market Implications

For Buyers

- Offer at or above list on desirable homes
- Escalation clauses can be effective

For Sellers

- Price confidently — market supports it
- Expect strong offers quickly

NEW SUPPLY

New Listings: 390 Homes

Year-Over-Year Change

New listings surged **+28.7%** in March. Sellers are responding to favorable conditions — spring momentum is building. Closed sales rose **3.9%** to 242 transactions.

Why It Matters

For Buyers

- More homes hitting market weekly
- Check listings daily — new options emerging

For Sellers

- Optimal timing — list before competition grows
- Spring demand peaks May–June
